* Institutional refers to the potential Qualified Investors of the Fund and not to the nature of the investable assets.

¹ Subject to availability of income, distribution is paid at least twice every year and will be reinvested.

² Income distribution (if any) will be reinvested.

³ Given the Fund's investment objective, the Classes of the Fund are not expected to pay any distribution. Distribution, if any, are at the Manager's discretion. Distribution, if any, can be in the form of cash (by telegraphic transfer) or units (by reinvestment into units of the respective Classes)

Note: Past performance is not indicative of future performance. The above-mentioned income distributions are not indicative of future distributions. Unit prices as well as investment returns and income distribution, if any, may rise or fall. Where an income distribution is declared, investors are advised that following the distribution, the net asset value ("NAV") per unit will be reduced from cum-distribution NAV to ex-distribution NAV. Investments in funds involve risks, including the risk of total capital loss and no income distribution. For more details on the respective fund's risks, please refer to Prospectuses/Information Memorandums, including any supplementary(ies) made thereof from time to time and its Product Highlights Sheet.
