## **RE: Notice of Discontinuation of AmInvest i-Invest Portal (EPF-MIS Members) On 28 August 2026**

Dear Valued Members,

We wish to inform you that the AmInvest i-Invest portal ("Portal") will be discontinued with effect from 28 August 2026. Following this discontinuation, access to the Portal will no longer be available. To ensure uninterrupted management of your investments under the EPF Members Investment Scheme (EPF-MIS), you may consider the following options:

### **Available Options:**

- 1. Transfer to an Institutional Unit Trust Adviser (IUTA) supporting the EPF-MIS platform:**  
You may transfer your investments to an IUTA offering EPF-MIS transactions for continued digital access and servicing.
- 2. Redeem your existing investments:**  
You may redeem your investments through the current available channels prior to the Portal discontinuation date of 28 August 2026.

### **After the discontinuation of the Portal on 28 August 2026:**

If you do not choose either of the options above and still hold units under the EPF-MIS, please note that, after the Portal is discontinued, all subsequent transactions (including redemptions) must be submitted manually using the applicable forms and channels. We strongly encourage you to review the above options and take the necessary action before the discontinuation date to minimize any inconvenience.

We appreciate your continued support. For further information or clarification, please contact us at:
