## NOTICE: Non-Business Days for 2026

Dear Valued Investors,

Please be informed of the Non-Business Days for all our feeder funds ("Funds") for the year 2026. The schedule is provided in *Appendix A* and may be updated from time to time by the respective target fund managers.

This notification is issued in view of market closures in the target funds' jurisdictions. In line with the respective Master Prospectus/Prospectus/Information Memorandum of the Funds, designating these dates as Non-Business Days ensures fair and accurate valuation of the Funds and proper handling of any subscription and/or redemption requests during these periods.

Please note that there will be no valuation or pricing on the designated dates. Any subscription, redemption or switching requests received on these dates will be carried forward and processed on the next Business Day at the next valuation point, in accordance with the Securities Commission Malaysia's Guidelines on Unit Trust Funds.

Standard cut-off times and other dealing arrangements remain unchanged, except as described above. For details of Business Day definitions and dealing procedures, please refer to the respective Master Prospectus/Prospectus/Information Memorandum of the Funds.

Should you require further information or clarification, please contact your respective Relationship Manager or our Customer Service Officer at:-

Tel: +603-2032 2888

Fax: +603-2031 5210

**Appendix A****List of Non-Business Days for the Year 2026**

<b>Fund Name</b>	Global Dividend
<b>Name of target fund</b>	Fidelity Funds - Global Dividend Fund

Note:-

Each week day (any day Monday to Friday inclusive) excluding 25 December ('Christmas Day') and 1 January ('New Year's Day') as well as any other day which the Directors have determined, in the best interests of the Shareholders, as non-Valuation Dates for specific funds.

Non-Valuation Dates may for example be any day observed as a holiday on a stock exchange which is the principal market for a significant portion of the investments attributable to a fund, or any day which is a holiday elsewhere so as to impede the calculation of fair market value of the investments attributable to a given fund, which may also include any day immediately preceding such relevant market closure where the dealing cut-off time of the relevant fund occurs at a time when the relevant underlying main market is already closed to trading and the following days are a period of consecutive market closure days.

The list of expected non-Valuation Dates is available on <https://fidelityinternational.com/non-valuation-days/> and is updated in advance on a semi-annual basis. However, the list may be further updated from time to time in advance as is reasonably practicable in exceptional circumstances where the Directors believe that it is in the best interests of the Shareholders.
