**AmInvest, Seven-time Winner as
Malaysia's Best Investment Management Company**

AmInvest has been awarded its seventh consecutive win as Malaysia's Best Investment Management Company, at the World Finance Investment Management Awards 2018¹ (the "**World Finance Awards**") conferred by World News Media based in the United Kingdom.

The winners of the World Finance Awards represent investment management firms that have been able to find success in unlikely places, while also adapting to complex and turbulent regulatory frameworks.¹ AmInvest was commended "based on a number of criteria including its performance, service, leadership, consistency, targets and objectives".

"Being a seven-time winner of this award is a tremendous honour for us. We have been managing funds for more than 35 years now, and are grateful for the trust our investors have in our capabilities and expertise. This, backed by our team's foresight and ability to capitalise on all market conditions as well as unwavering commitment to excellence to grow our investors' investments, has been instrumental to our continued success," said Goh Wee Peng, Chief Executive Officer of AmInvest.

AmInvest manages total assets worth around RM37 billion as at August 2018 encompassing unit trust funds, wholesale funds, institutional mandates, exchange traded funds and private retirement scheme funds. Its fund offerings include both conventional and Shariah-compliant* investment solutions, foreign and local investments across all asset classes.

World News Media publishes World Finance magazine, which provides coverage and analysis of the financial industry, international business and the global economy.

This latest accolade comes just after AmInvest's fresh wins as Malaysia's Best Exchange Traded Fund Provider for the third consecutive year awarded by Hong-Kong based The Asset² and Malaysia's Best Asset & Fund Manager by Alpha Southeast Asia³ from Hong Kong.
