AmInvest Sweeps Five Awards in a Week

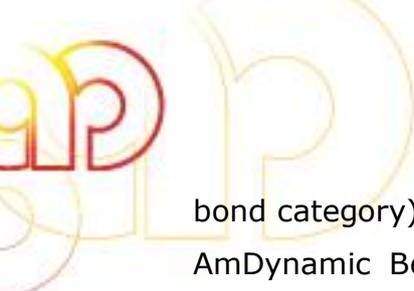

When choosing a fund manager, investors seek those with the skill sets to deliver consistent returns. Recently, AmInvest brought home five trophies within a span of one week for AmIslamic Balanced in the 'Best Islamic MYR Allocation Fund' category at the Morningstar Malaysia Fund Awards 2014¹, Malaysia's 'Best Institutional House', 'Best Pension Fund Manager' and 'Best Sukuk House' at Asia Asset Management's 2013 Best of the Best Awards² and 'Best Domestic Fixed Income Portfolio Manager Year 2013' at the Employees Provident Fund's (EPF) 2013 External Portfolio Managers Annual Awards Dinner³, an award in recognition of delivering superior consistent returns. This is the fourth time AmInvest has received the latter acknowledgement i.e. in 2009, 2010, 2012 and 2013.

"As the country's No. 1 fixed income fund manager in terms of assets under management⁴, this win is a reflection of the capabilities of our Fixed Income team, who have consistently managed to stay on top of the game in delivering outstanding returns throughout any market cycle," said Datin Maznah Mahbob, Chief Executive Officer of AmInvest.

"Our fixed income investment philosophy and process relies heavily on our stringent credit processes and superior credit selection recommended by our proprietary credit research unit. Our fund managers have consistently managed to take advantage of market conditions via structural long term strategy implementation on macro analysis and tactical short term trading based on market timing," added Datin Maznah.

Since the start of the year, AmInvest has been the recipient of seven excellence awards, including 'Best Mixed Asset Group' and 'Best Fund Over 10 Years, Bond Malaysian Ringgit' for AmDynamic Bond at The Edge Lipper Malaysia Fund Awards 2014⁵. AmInvest's award winning unit trust fund, AmDynamic Bond, has demonstrated consistent outstanding performance against its peers (Malaysian

bond category) for the period ended 31 December 2013⁵. Over the last 10 years, AmDynamic Bond has recorded returns of 130.44%, more than doubling its benchmark returns for the same period⁶.
